**Directions:**

Signposted from A35 / A31 roundabout near Bere Regis (SY 852953)

Car park: SY 828896 Postcode: BH20 6JD

Easy car parking on tarmac. Car parking fee of £1, all going to Army Charities (larger donations welcomed & encouraged!) Assembly, start & finish are all within about 5 mins of each other.

**Venue:**

Crane's Moor. **PLEASE NOTE:** Unfortunately, due to "military reasons" the Wool Heath part of the original proposed area was withdrawn from us recently. The longer courses have therefore been re-planned to make more use of the northern, technical part of the Crane's Moor area. Please accept the Army's apologies for this change!

**Terrain:**

There has been some recent motorcycling activity in the centre of the map and the small tracks created have not been mapped. They are easily identifiable as such and in places are marked by green and orange arrows.

Some minor forestry work is ongoing, mainly the cutting of Rhododendron in the middle of the map area.

There are some steep sided deep gullies involved in the senior courses and competitors are advised to take extra care in these areas.

Senior courses involve some fence crossings. Suitable/prepared crossings are marked on the map and courses planned to direct competitors to use these crossings.

The middle of the area is open to public access and competitors may encounter members of the public/horse riders/dog walkers.

**IMPORTANT:** This is a military training area - don't touch or pick up any unusual objects. Please emphasise this to youngsters particularly.
